

The background is a vibrant, stylized space scene. It features a gradient of colors from deep red and purple on the left to bright blue on the right. Scattered throughout are various celestial bodies: a large red planet with orange and yellow patterns in the top right, a yellow and orange striped planet in the bottom left, and several smaller, dark purple, cratered planets. White stars of varying sizes are also visible. The text is centered and white, providing a high-contrast look against the colorful background.
