

The background is a vibrant, stylized space scene. It features large, flowing nebulae in shades of red, purple, and blue. Several planets are depicted: a large red planet with orange and yellow patterns in the top right, a yellow and orange striped planet below it, and a blue and white striped planet in the bottom left. Numerous small, dark blue and purple rocky asteroids are scattered throughout the scene, along with small white stars.

Update from week 5 (Mai 23rd 2021)

Ionic Defender

Led by JustGreg, releasing on June 27th 2021

Unity3D 2019.4.18f1

State of the project
